Tett Centre Celebrates 10 Years of Creativity and Community with *Tett@10: Reflections*

Kingston, ON — On **Saturday, October 4, 2025**, Tett Centre for Creativity & Learning will mark its **10th anniversary** with an unforgettable evening that honours a decade of artistic innovation, collaboration, and community spirit.

Since opening its doors in 2015, Tett Centre has been a cornerstone of Kingston's cultural landscape—a place where artists, creatives, and community members come together to connect, learn, and create. This October, Tett Centre invites all community members to join a one-night-only celebration that will transform the Tett into a vibrant, interactive showcase of artistic exploration.

Titled ***Tett@10: Reflections***, this anniversary celebration invites guests to journey through a decade of artistic growth, while exploring the theme of 'Reflections' in multiple dimensions—from cherished memories and dazzling displays to the rippling impact Tett Centre's creative community has made on Kingston's artistic fabric.

Tett@10: Reflections will feature **immersive installations, live performances, and hands-on experiences**, all inspired by the spirit of creativity and discovery. This celebration is not only a milestone—it's a tribute to the artists, supporters, and community members who have helped shape Tett over the past 10 years.

In anticipation of *Tett@10: Reflections*, Tett is launching a “**Call for Stories**” that will inform the creation of artwork and interactive experiences at the event. Community members are invited to submit stories that reflect the many ways people have experienced, been inspired by, or grown through their connection to the Tett.

Submissions for the “**Call for Stories**” are open to the public and may include written memories, photos, audio or video recordings. **The deadline to submit is Friday, June 20 at 11:59 PM.** Submissions can be made online [here](#).
