## 2022 Preferred Caterers

The following is a list of local caterers who have provided repeated services at the Tett Centre and are favoured based on their food quality, customer service standards, reliability, professionalism, and reputation:

The Juniper Cafe is a team oriented licensed coffee shop with a gorgeous patio facing the waterfront on the lower. They are steps away from your Pilot Coffee and delicious + freshly baked goods, sandwiches, soup and salad. Their box lunches and platters are ideal for meetings, workshops, and conferences up to a max of 120 people. Their vouchers, coffee cards and tab service are just a few ways they can help cater the style of your event. <https://junipercafe.ca>
